Hi Kari,

We have not received any response to our request to meet and confer. To be specific, we intend to ask the Court to extend the expert discovery deadline and either (1) order the records to be produced in response to our prior requests, or (2) allow a limited re-opening of fact discovery so that we may serve requests that are unambiguous without question.

At a minimum, can you please let us know if the extension request is opposed? We have extended you every courtesy in agreeing to each extension you have requested.

Kind regards,
Nicole

Hi Kari,

We disagree that these are not encompassed by Request No. 8. But considering the disagreement, we need to meet and confer prior to us approaching the court to address the matter. Are you available today or tomorrow morning to discuss?

Kind regards,
Nicole Wing

Subject: Espro sales data

Hi Kari,

We have poured over the data provided in Starbucks' productions and do not see that the purchase orders or other sales records for the Espro product at issue in the 2023 case were ever produced. If we are missing something, can you please direct me to these documents? Otherwise, can you please arrange for a supplemental production? As you can imagine, this is handicapping the progress of our damages experts' work.

Kind regards,
Nicole
